

WELCOME TO SAA

Dear Newcomer,

We honor your decision to reach out for assistance from Sex Addicts Anonymous® and wish to extend a genuine welcome to the fellowship.

You are not alone! SAA has helped many people stop a wide range of compulsive or addictive sexual behavior.

We are a volunteer twelve-step recovery program with no dues or fees.

Membership is open to all who have a desire to stop addictive sexual behavior. There is no other requirement.

We welcome members of any sexual identity or orientation.

To help you get started, we recommend you follow these steps:

1. **Attend SAA Meetings:** Meetings are where we learn to integrate principles from the Twelve Steps of the SAA program into our lives. See the meeting section below to find a meeting or contact us.
2. **Read Our Literature:** Review our literature at <http://saa-recovery.org/SAALiterature/>. It will explain our program and provide information about recovery from sex addiction.
